WASHINGTON, D.C. 20510

February 7, 1984

The Honorable William Casey
Director
Central Intelligence Agency
Washington, D. C. 20505

Dear Mr. Casey:

The Foreign Relations Committee has received a request from the Department of State for access to certain classified transcripts concerning Vietnam for use in the preparation of its documentary series, Foreign Relations of the United States.

One of the requested transcripts dated October 10, 1963 contains the testimony of former CIA Director John McCone. In addition to use by the State Department, this transcript will be included in the next volume of the Committee's Historical Series which is also being prepared for publication.

I would appreciate your agency's review of the enclosed document and your advising me if there is any objection to its publication.

Sincerely,

Charles H. Percy
Chairman

Dear Mr. George:

Thank you for your letter of May 17 to Senator Percy concerning the CIA's review of the Foreign Relations Committee's classified transcript of October 10, 1963.

In addition to the transcript being used by the State Department and the Committee, the Congressional Research Service has quoted from it in a study on Vietnam which will be published by the Committee. None of the quoted material remained classified by the Agency after its review, but I did want you to be aware of this future publication. A copy of the draft pages involved are enclosed for your information.

Sincerely,

Scott Cohen

REMARKS

STAT
 Thanks very much. If not too much trouble, could we obtain thru OLL a full version of the Congressional Research Service memo once it's completed? I would be interested in their full exposition of the Diem overthrow. Thanks for your assistance.

STAT

As you can see, EA would like to see the finished product. Thanks.

[Redacted] just thought I'd let you see what happened to the transcript we declassified a few months ago on McCone's testimony in executive session. With all the footnotes from other sources it really takes on a different meaning. [Redacted] STAT
